

OUR MISSION:

Olivia's House is an organization of caregiving professionals and volunteers committed to supporting grieving children. Its purpose is to facilitate healing through grief and loss education.

OUR VISION:

As the premier free-standing, independent grief and loss center, we are dedicated to having the capability to support the growing needs of the community. In doing so, Olivia's House will become the primary resource for local and national grief and loss education.

Our vision will be accomplished by providing no-cost services such as:

- Educational and social support programs for grieving pre-school, elementary, middle and high school-aged children, as well as young adults and their caregivers.
- Individual and family grief counseling referrals to specialized professionals.
- A public lending library containing thousands of resources on child, teen, and adult grief.

Welcome

Welcome back! We've missed you, and quite frankly we have missed our gala! The staff has done a remarkable job rolling with the punches over the last two years under quarantine. We kept the magic of Willy Wonka alive, our "FRIENDS" were able to come together through the power of Zoom, but this year— our twentieth anniversary year— we are thrilled beyond measure to be back together in the ballroom at the Country Club of York!

Twenty years ago, the mission of Olivia's House was completely unknown and we hoped the community would support our first attempt at a large fundraising event. We had invitations, ballroom plans, an exquisite menu, and a lovely silent auction running throughout the evening. Because our mission was so new, even with all of this planning we found we could not attract attendees! Only a week out from the event, our guest list was comprised of a mere 48 people (most of whom were board members), and we were panicked! We made personal calls to friends, family, and acquaintances, and when the night arrived, we had 80 people seated in the ballroom for the first ever Olivian Gala. With local newscaster Kim Lemon as our emcee for the night, we felt successful when our evening ended and the tally was more than we had hoped for.

Twenty years later, including two years in which the world was shut down for safety, we find ourselves back in the same ballroom. Back to filling tables, pouring top shelf complimentary drinks, dining on a wonderful menu, and showcasing the most amazing auction, complete with at-home bidding. We are so thrilled that our event is once again in person! Our guest list topped 230 attendees this year, and with the live band and a video from Olivia's In-House Productions, this will be an evening we won't soon forget!

Hugs and thanks to Shannon at the Country Club of York for her coordination year after year, to Chef for the spectacular meal, to the band for their incredible music, to the community for their generosity of eclectic gifts in our auctions, to Futer Bros. for the beautiful diamond necklace, and to our sponsors for not only supporting tonight's event but also for hanging in with us in celebrating our mission virtually for the last two years!

Years ago, we never would have dreamed that our Gala would sell out, year after year. The children we serve have streamed through our doors— some virtually, and some in person—just like our gala this evening. We are grateful for the support this event garners for each of these families, as Olivia's House continues to provide healing to them at no cost, twenty years strong! God bless you all, have a wonderful evening!

The Auction

Our Gala Committee has done a superb job gamering a multitude of auction items for our Twentieth Anniversary Olivian Gala. Please take some time this evening to peruse the various packages on display in the auction room. You can also review the entire auction while sitting at your table utilizing your cell phone, thanks to our mobile bidding platform!

The silent auction will close at 9:30 pm. If you wish to place a bid on an item in the silent auction, simply follow the prompts on the auction site using your phone. If you did not bring a phone or need some assistance in placing your bids, please visit our "tech support" station in the registration room or ask our bidding assistants with iPad devices for help.

Don't miss out on your chance to take part in our diamond raffle. For a \$75 donation, you will receive a 1 in 100 chance of winning a stunning 18K Yellow Gold Plique a Jour Diamond Butterfly Necklace (.44ct tw of diamonds), compliments of Futer Bros. Jewelers. Plique a Jour is a French term meaning "glimpse of day." It is a difficult technique where liquid enamel is suspended between a strand of gold then fired at high temperatures creating a shimmering translucent effect. Purchase as many chances as you like via our Olivian Gala Raffle Assistant. The diamond raffle winner will be revealed at 9:45 pm in the ballroom.

As always, there will be no funds exchanged this evening! You must register a credit card on the GiveSmart platform to place bids, purchase raffles, or make donations HOWEVER we will not charge your card. An invoice will be sent via first class mail after the event. Guests also have the option to "self-checkout" any time after the conclusion of the event to pay their balance with their registered credit card via GiveSmart. All unpaid invoices, who have not alerted us to a deferred invoice date, will be charged via their registered credit card on December 9, 2022.
