Olivia's House

a grief and loss center for children

OUR MISSION:

Olivia's House is an organization of caregiving professionals and volunteers committed to supporting grieving children. Its purpose is to facilitate healing through grief and loss education.

OUR VISION:

As the premier free-standing, independent grief and loss center, we are dedicated to having the capability to support the growing needs of the community. In doing so, Olivia's House will become the primary resource for local and national grief and loss education. Our vision will be accomplished by providing no-cost services such as:

- Educational and social support programs for grieving pre-school, elementary, middle and high school-aged children, as well as young adults and their caregivers.
- Individual and family grief counseling referrals to specialized professionals.
- A public lending library containing thousands of resources on child, teen, and adult grief.

WELCOME

Almost everyone has a favorite game. Maybe it was Monopoly around the dining room table, cards with your grandparents, or a board game that somehow ended with everyone laughing a little harder than they expected. Years later, we rarely remember who won. We remember the conversations, the laughter, and the feeling of belonging. They're never really about keeping score. They're about connection.

Unfortunately, life doesn't always play by the rules. When a child experiences the death of someone they love, it can feel as though they've been sent "back three spaces" just when life seemed to be moving forward. There are no instruction cards, no shortcuts, and no easy way to skip the difficult moments. But at Olivia's House, children and families discover something incredibly important: they don't have to play this game alone.

For over twenty-four years, Olivia's House has been privileged to walk beside thousands of grieving children and families. None of this would be possible without people like you. Every sponsorship, every auction bid, every raffle ticket, and every gift made tonight stays right here in our community, ensuring that every child who walks through our doors receives compassionate care at no cost.

A heartfelt thank you to Shannon and the wonderful staff of the Country Club of York for once again creating such a beautiful evening. We are also grateful to Chef Parker for tonight's exceptional meal, to Debbie Ashway of Futer Bros. Jewelers for donating this year's stunning raffle prize, and to our incredible Auction Committee, volunteers, sponsors, and community partners who have worked tirelessly to make this celebration possible. Most importantly, thank you for being here.

Tonight is about far more than games. It's about reminding grieving children that healing happens best when surrounded by caring people who refuse to let them journey alone. As we often say at Olivia's House, "Together, we hold a child's heart in our hands."

Welcome to the 2026 Olivian Gala. Let the games begin!!!

Executive Director

THE AUCTION

Our Gala Committee has done a superb job garnering a multitude of auction items for our 24th Annual Olivian Gala. Please take some time this evening to peruse the various packages on display in the auction room. You can also review the entire auction while sitting at your table via your cell phone, thanks to our mobile bidding platform!

The silent auction will close at approximately 9:30 pm. If you wish to place a bid on an item in the silent auction, simply follow the prompts on the auction site using your phone. If you did not bring a phone or need some assistance in placing your bids, please visit our "tech support" station in the registration room or ask our bidding assistants with iPad devices for help.

Don't miss out on your chance to take part in our jewelry raffle. For a \$50 donation, you will receive a 1 in 100 chance of winning a stunning Frank Reubel Caribbean Blue Quartz Pendant Necklace valued over \$3,000, compliments of Futer Bros. Jewelers. Purchase as many chances as you'd like via our Olivian Gala Raffle Assistant. The jewelry raffle winner will be revealed at 9:30 pm in the ballroom.

As always, there will be no funds exchanged this evening. Though you must register a credit card on the GiveSmart platform to place bids, purchase raffles, or make donations, we will not be charging your card this evening. Rather, an invoice will be sent via USPS mail after the event. Guests do have the option to "self-checkout" any time after the conclusion of the event to pay an outstanding balance with the registered credit card via GiveSmart. All unpaid invoices, who have not alerted us to a deferred invoice date, will be charged via their registered credit card on December 8, 2026.
